

Alumni Program

One alumnus from each province and territory is chosen to attend the National Historica Fair.

During the National Historica Fair alumni are responsible for creating a daily e-zine of the day's events for the Historica website. They attend events with the delegates, write articles, interview delegates and photograph events. The alumni also act as mentors and junior counsellors to their delegations during the Fair.

Alumni must:

- Not already have participated as an alumnus.
- Be in Grade 10 - 12.
- Have participated in a Historica Fair within the past three years.
- Be active volunteers in the planning and implementation of their Local Historica Fair.
- Be endorsed by the Nunavut Historica Fair Team.
- Be comfortable traveling alone from their home community to the site of the National Historica Fair.

To apply to participate in the Alumni Programme, the alumni must submit a letter to the Nunavut Historica Fair Team by April 11, 2008 outlining:

- Their personal experience with past Heritage Fairs and the benefits they have obtained from the experience.
- Other volunteer activities, particularly involving younger students.
- What personal benefits are expected from participating in the Alumni Program.

Submit this letter to:
